

# Keynote and Invited Lecturers

The 14<sup>th</sup> International Conference on Pediatric Mechanical Circulatory Support  
Systems & Pediatric Cardiopulmonary Perfusion  
Chicago, IL, USA. May 3 – May 4, 2018

 Ann & Robert H. Lurie  
Children's Hospital of Chicago®

# Conference Organizers

**The 14<sup>th</sup> International Conference on Pediatric Mechanical Circulatory Support  
Systems & Pediatric Cardiopulmonary Perfusion  
Chicago, IL, USA. May 3 – May 4, 2018**

 **Ann & Robert H. Lurie  
Children's Hospital of Chicago®**

# The John Waldhausen, MD, Young Investigator Awardee (Morgan K. Moroi, BS)

**Morgan K. Moroi, B.S.**  
received the John A. Waldhausen, MD,  
Young Investigator Award  
based on the manuscript  
"In Vitro Evaluation of ECG-Synchronized  
Pulsatile Flow using 1-Cor Diagonal Pump in  
Neonatal and Pediatric ECLS Systems"  
at the 14<sup>th</sup> International Conference on Pediatric Mechanical  
Circulatory Support Systems & Pediatric Cardiopulmonary Perfusion,  
Ann & Robert H. Lurie Children's Hospital of Chicago  
Chicago, IL, USA  
May 3 - 4, 2018

The 14<sup>th</sup> International Conference on Pediatric Mechanical Circulatory Support  
Systems & Pediatric Cardiopulmonary Perfusion  
Chicago, IL, USA. May 3 – May 4, 2018

 Ann & Robert H. Lurie  
Children's Hospital of Chicago®

# The William S. Pierce, MD, Young Investigator Awardee (Kiona Y. Allen, MD)

The 14<sup>th</sup> International Conference on Pediatric Mechanical Circulatory Support  
Systems & Pediatric Cardiopulmonary Perfusion  
Chicago, IL, USA. May 3 – May 4, 2018

 Ann & Robert H. Lurie  
Children's Hospital of Chicago®

# Special Education Awardee (Michael C. Monge, MD)

The 14<sup>th</sup> International Conference on Pediatric Mechanical Circulatory Support  
Systems & Pediatric Cardiopulmonary Perfusion  
Chicago, IL, USA. May 3 – May 4, 2018

 Ann & Robert H. Lurie  
Children's Hospital of Chicago®
